FOREWORD

SCHOOL SPIRIT, so characteristic of the Piedmont High School Student Bodies, has been chosen as the theme for the 1935 Clan-O-Log. For the past fifteen years, the students of this institution have had but one common thought—the betterment of Piedmont High School. Because of the real Highland Spirit, our athletic teams have led the bay region, often defeating schools two and three times as large as Piedmont. Our high scholastic rating with all the leading universities of the country may also be attributed to our ideals of achievement. In addition, the many activities of our school have given the students experience in leadership and cooperation.

With these thoughts in mind, the members of the Clan-O-Log Staff have chosen as our theme this year School Spirit, and have interwoven into the art work scenes of school life and Scotch symbols. Thus, we present to you, in this volume of the yearly publication, a portrayal of the outstanding activities of the year, the successful accomplishment of which can be attributed to the ideal set forth in our school motto: "Achieve the Honorable."

AN APPRECIATION

FOURTEEN YEARS AGO there came to Piedmont a sincere friend and a constructive leader of Piedmont High School. During these years it has been his penetrating vision of the future that has made this school the outstanding educational institution we know today. A real

frontispiece of the school's history is the picture of Mr. H. W. Jones, Superintendent of the Piedmont Public Schools. He is a man of great energy, enthusiasm, encouragement and ambition. His sense of justice, the integrity of his aims, his sterling character, and his lofty example of manhood have so impressed the student body that we, the Staff of the Clan-O Log, on behalf of the students of Piedmont High School, extend our deepest appreciation to our friend and leader—Mr. H. W. Jones, Superintendent of the Piedmont Public Schools.

Clan O Log Staff
Jack Fowler, Editor

THE SCHOOL YEAR 1934-35

THIS YEARBOOK is a chronicle of the student body activities of Piedmont High School for a year which has been marked with triumphant events and many triumphs. The High and Clan has a record of great achievement, movement, and growth in its programs of art, drama, music, athletics, education, government, and general activities. These achievements have been no small factor in the advancement of the school system, is a distinct privilege. Under the able leadership of our principal, reflected in the numerous accomplishments throughout the year. In every phase of school life, the students have displayed great interest.

Important as these victories may seem from the student body standpoint, the greater triumphs have been those of the growth and development of the student. November the participants in the State Linguistic Meet, coming from all over the state, came to Piedmont, competing in various days in English, Spanish, French, and German, vying with the boys from the various schools of the state in just the best and most trying tests of their knowledge of their future profession.

As creditable as the year just closed has been, let us not be content to rest upon the laurels we have gained. As you peruse the chronicle of triumphs in this Clan-O-Log, let them be an inspiration to you in your efforts, even greater and better things for our school. Let us not forget the importance of the things which are most worth while.

I have come to have unlimited faith in the Piedmont High School and am confident that the year 1935-36 will see even greater triumphs added to the exceptionally fine record chronicled in this book.

DIED 1934

Member of Piedmont Board of
Education 1917-1934

IN APPRECIATION

THE DEATH OF DR. HARRY D. BELL marked the passing of one of Piedmont High School's greatest friends. Having served on the Piedmont Board of Education continuously from 1917 to 1934, Dr. Bell was a trustee, a founder, a member of the Board of Education, guiding its development to the present time.

Dr. Bell's untiring efforts were motivated solely by a love for and a desire to give the youth of the community the educational opportunities that he himself enjoyed. He wanted to give that type of education to every student, just as he would have wanted to give it to his own son or daughter.

The highest measure of life's success is the degree of service one has given to human kind. Truly, it may be said of Dr. Bell that the lives of generations matter little in comparison to the life he lived and enabled by his infinite dedication to the welfare of the young people of opportunity for intellectual and moral growth.

WHEN THE MEMBERS of the class of June, 1935, receive their diplomas in the Piedmont High School Auditorium on June 13, they will be the first to admit that they have been fortunate, we hope, in having such a large class year. It means we can afford to have a large number of students after entering college in the fall.

The class of '35 first saw the light of day in Piedmont Junior High School as seventh graders. Its first contribution to the school was the organizing of the Block J, which acts as does the older Block P. It was a great success, and the class has done every thing possible to help it along. They have given their hearty endorsement to support this new activity in any way that they could.

Bob Haynes has been elected president at four different times. He is succeeded by Maynard M. Wagner, Jr. In February, he was succeeded by Eugene E. Townsend.

Members of the class have always been making themselves outstanding in all fields. In the letter carrier work, telephone operators, and in the various clubs. They have won many trophies and awards. In the last two years, the class has won the trophy for the best class in the school, and the first place in the basketball competition. And finally, the football team, which was made up almost entirely of this class.

In the field of athletics, the senior class speaks for itself. Two All-American awards have been won in the last two years. Need more be said!

Outstanding in all school affairs, these students will be greatly missed. However, their great influence and their contributions to the school will be remembered. May the class of 1935 long be remembered!

BOARD OF CONTROL

The Board of Control of Piedmont High School has again guided the affairs of the school during the past year. At the Fall meeting the members of the Board, consisting of Sharp Whitmore, President, and his associates, worked hard and gained the wholehearted support of the student body.

A novel event featured during the spring term was a High School Open House at which time the entire school was open to parents and guests. The school was filled with exhibits of all kinds. Many students attended, students in the future look forward to repeating the event.

The Board of Control has aimed to uphold the high ideals of Piedmont High School and it is the hope of the splendid cooperation of the students.

To cover completely all school activities and present them in a
correct and interesting manner is the aim of the Paper.
The Highlander is the official organ of the Highland
School.

Organized fourteen years ago, the newspaper has grown until it
now covers all school activities and presents them in a better
light than ever before. At first, covering student, enrollment
and school news, the paper was later improved, from
twelve pages to twenty pages. Recently, the paper was reorganized
to include more news items, features, editorials, and the best heads exist
in the state. It is the critic's duty to correct the proofs and
place the articles in their proper positions in the paper.

The Highlander is justly proud of the honors that it has won; this
year the paper was awarded a gold ribbon from Columbia
University in the annual contest. An International honor award from the
National Student Press Association has been bestowed upon the
Clan Weekly.

BAND

From the proceeds of a benefit concert held last year and from other funds, uniforms were purchased for the entire Piedmont High School band. Mr. Sean W. Anderson, the band master, worked hard to accomplish this end, and the resplendent purple and white uniforms are a source of pride to the entire student body.

Under the direction of Harry McAfee, the Piedmont High School band has given many performances, the students having played at the rallies and at noon dances in the gymnasium.

The development of soloists in any orchestra is an outstanding feature. Since many of its members are excellent soloists, the musical organizations of Piedmont give finished performances. Jewell Palmer, Helen Davis, June Adele Hampton, Howard Brown, Vincent Jeffrey, and ~~Walt E. Johnson, all of whom have~~ have given excellent performances as soloists.

KILTIE BAND

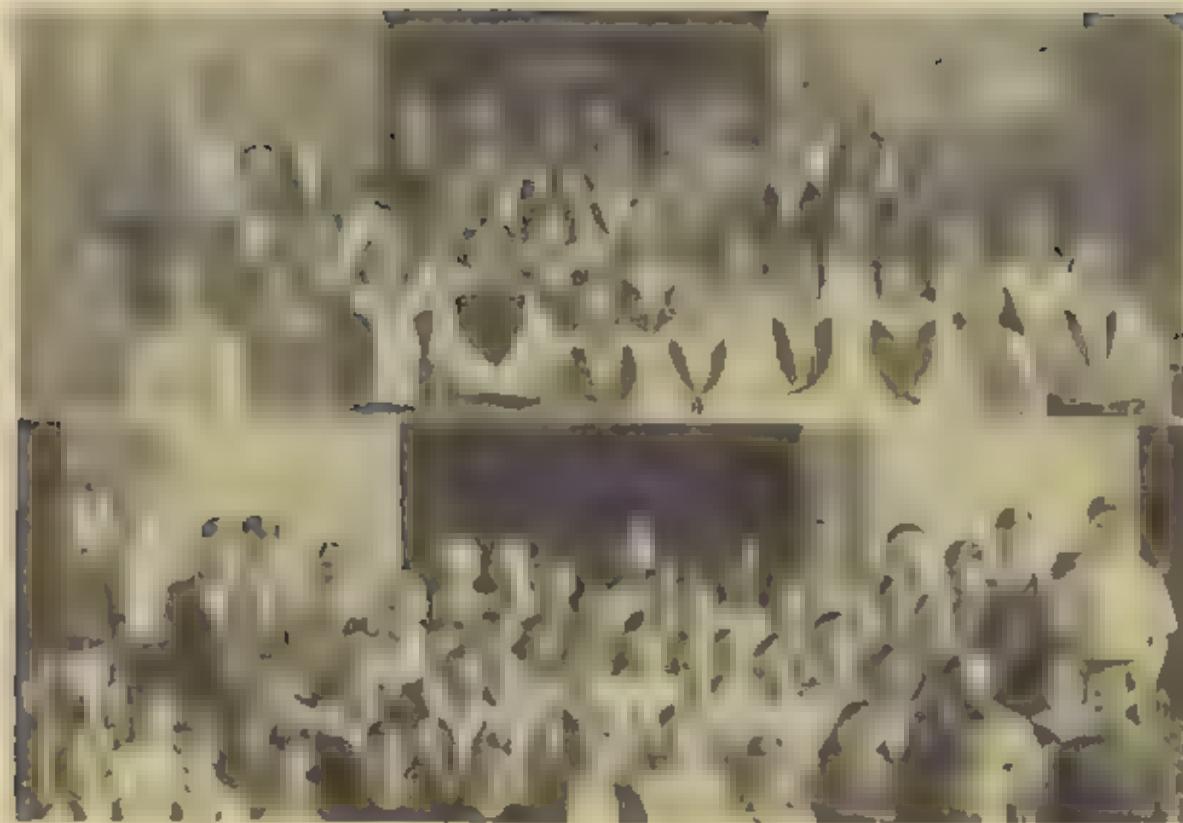

Our Kiltie Band always gives each and every Piedmont High School student a thrill of pride as it swings out to spur the athletic teams on to victory.

The following are the members of the Kiltie Band: Pipers—Davia Countryman, Donald Jackson, Eliot Johnson, Glenn "Brick" Johnson, Dick Miller, and Ernest Atkinson; Drummers—Milton Wallace, Melville Wood; Drummers—Ernest Atkinson, Oliver Meek, Paul Sattery, Jim Wainwright, Barrett Wells, and Addison Wood.

REVIEW OF THE SEASON

Coaches Glen "Brick" Johnson, Sam Moyer, John Gifford, and Carl Siegrist, with the players of the 1944 football team, started the year with a record of 1-4 to their credit, returning the ball to the visitors in all four games. They were however unable to stop the visitors in the first two games. The 1944 football team consisted of the following starters: Billie Peterson, T. K., and Mervin at guards and L. G. at center. Trudy Johnson, W. E. and C. C. as end, and Peterson and Ervin at halfback. For most of the other players, Peterson felt the team went through a great deal of trouble in 1944 just to have a record of 1-4. That year the team was the best in the district and the state. By taking the A. A. and C. C. Athletic League the team was able to meet the teams of Marion C. C. and the Lethbridge Vikings. In both of these games the team won by the widest margin. The result of the 1944 football team was an undefeated team.

PIEDMONT-OAKLAND

Opening their 1934 season with a smashing victory, the purple-and-high-yellow defeated the Concord Wildcats by a 21 to 0 score. Starting with a run in the first quarter Piedmont advanced the Oaklanders thirty yards but a penalty sent them back for a three. After Oakland put in the ball out Piedmont with Ede and Erichson doing most of the ball carrying, marched to the Wildcat's twenty-yard line. The three end zones here. In another three and a half quarters Ede and Erichson returned an Oakland punt forty-five yards to the one yard-line. Ede scored the two points from there. But so many minutes had passed in the beginning, if Ede had not scored, the result of constant gains by Ede and Erichson the latter scoring. Erichson with perfect passing combination, Ede and Erichson came in with the result being a touch down.

PIEDMONT-LOWELL

A fighting Piedmont team whipped a strong Lowell team to the score of 20 to 6. The first Clan score came in the opening quarter after a thirty-one yard march of reverses by Jim Porter and Lloyd Francisco. John Erichson carried the ball over from the four-yard line. A kicking punt between the two teams followed, the ball being fair. The Cards took the first period. Starting deep in their territory, the Cards advanced to the Lowell fifteen, the Cards then threw a bomb to the front field by throwing the ball-carrier for a loss. After two incomplete passes by the Cards, the ball was at the Lowell twenty-five yard line. Lowell's defense was not to be won, strong and determined and running thirty-five yards. Piedmont's final score came from the receiver, that end being Erichson, after a little fight.

FOOTBALL

PIEDMONT-PITTSBURG

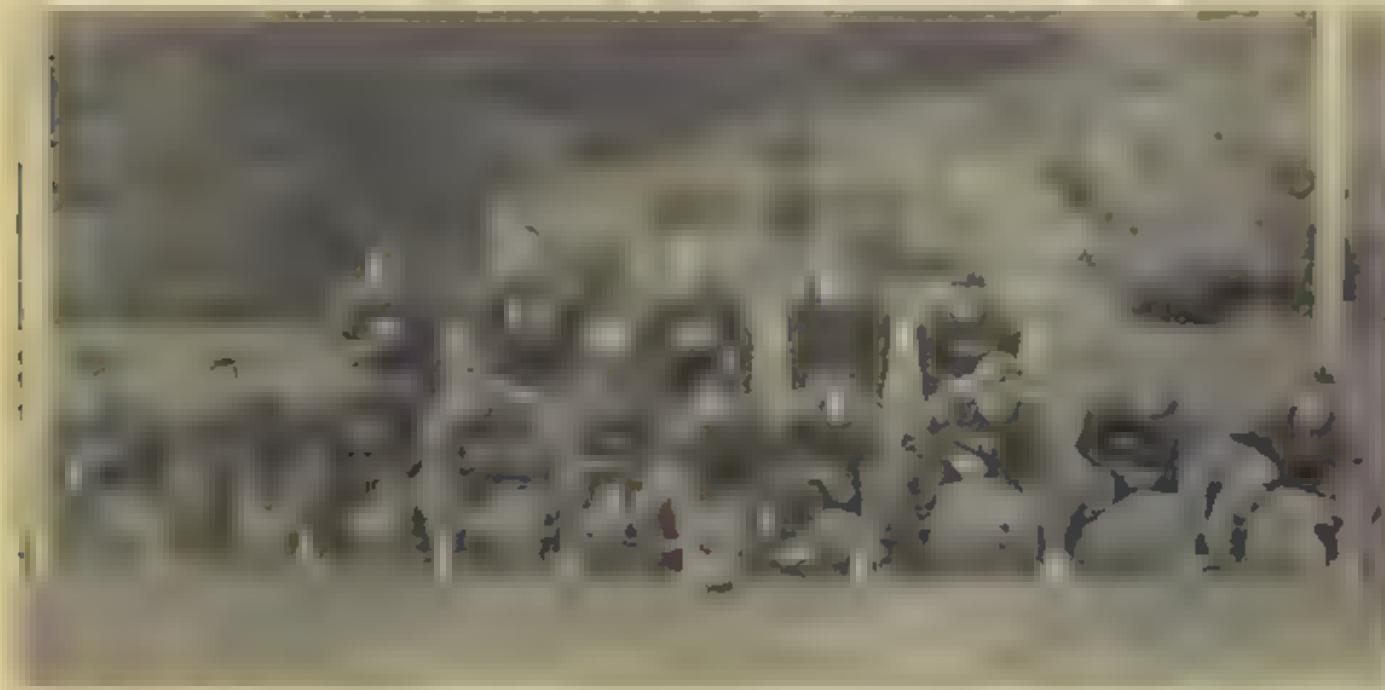

The Pittsburg Panthers invaded the Highland City only to be defeated, the score 32 to 13. The Corporation fumbled down began in the opening period when Herb Denk carried the ball over from the forty-four-yard line. With Jim Porter and Lloyd Francisco doing the running, the Highlanders advanced to the Pittsburg six yard line. Denk received the kick-off and returned the ball sixty yards to the Panthers twenty-four yard line. Porter ran the ball on a fumble but recovered on the opponent's forty-two-yard line a few plays later.

PIEDMONT-CONCORD

Displaying a brilliant array of power drives and reverses, the Clan team scored a decisive 33 to 13 victory over the Concord men. The first score for Piedmont came after six minutes of play. From the Concord five-yard line, Jim Porter went off tackle to make a touchdown. A few minutes later Porter repeated his preceding performance. After a fumble during the second quarter the Highlanders scored again three times in the last period. Touchdowns, registered by Norman Werner, Miltie Eason, and Frank ... were made on the plunges and end-runs.

PIEDMONT-RICHMOND

Entering their fifth game of the season with a confident attitude, Piedmont won from Richmond 12 to 0, but came close to losing. A strong Richmond center, John Hart, got up the Concord reverses. The first Concord score in the opening quarter two plays after Herb Denk started off, was a touchdown. Jim Porter then entered the rear and rapidly scored another touchdown. Porter later made the third touchdown after getting past the Richmond center, a yard line. The Highlanders were unable to score when the game ended. In the third quarter Miltie Eason broke through the center of the line for a brilliant fifty-yard run.

PIEDMONT-STOCKTON

Determined to take a firm hold on the Northern California Champ-
ship, Port went at it in the first half with great spirit. In the
acked game they won 6-0. The first quarter was fairly even, Porter's
kicking getting the best of him. In the second quarter Denk had a pair
and made a perfect score for the game, but five minutes before the end
that he stepped outside on the twenty-five-yard line. That was the
closest the Clan came to scoring in the half. With Ede, Porter, and
Denk doing the offensive work, the ball was in Stockton's territory most
of the time.

PIEDMONT-ALAMEDA

Resolving to go undefeated during the season, Piedmont started the A. C. A. by defeating Amherst 4 to 2 on the Mac-
henry County Field on November 10th. Piedmont won twenty,
eight yards after a fumble and a down the center line
safety because of a bad pass from center. The rest of the game was
strictly Piedmont's. The first score for the Highlanders resulted from a
fumble in Amherst territory on November 17th. A. C. A. twenty,
six yards. E. C. A. had a fumble in the end zone
Porter carried the ball over from there. The second Clan score was
scored after a fumble. A. C. A. won after Porter again
scored from the nine-yard line.

PIEDMONT-BERKELEY

Paying without the services of Marshall Ede, star fullback, a fight ensued between the two teams. The first score was for all four, starting with Porter, Hight, and 28+7. However, Ede left early due to a shoulder injury, re-entered, and the Canes were on the field. It was at this time, the two were tied, at the 10 yard line. In attempting to punt it, after Ede had tried to kick it, it was credited by Eddie Bartholomew, who claimed that it was a forward pass, where John Erichson carried it over for the initial score. Later in the quarter, a scattered attack by Ede, was also credited by Bartholomew as a goal. He went up the free kick and ran to a second touchdown. Herb Denk intercepted a Jacket pass on the thirty, and running Ede on, and the ball to the nineteen yard line on the next play. Consequently, Porter advanced the ball to the twenty, and ran in for a score. Bill Weeks, red Ede, the fullback, Ede, and red quarterback, Eddie, were following the recovery of a fumble.

REVIEW OF THE PRACTICE SEASON

Starting out with a new coach and a new system, the Piedmont High basketball team has had a good start to the practice season. Although the first game was lost, the team has been improving rapidly ever since. After the first three games, the team had won only one, but after the next three games, they had won all three. The last three games were lost, but the team still improved. The last game was against the San Francisco Frosh, and the team lost 27 to 32. The team has made up for some of the losses by winning the next three games. The team has won against Dixie and Willow Glen, and has beaten the San Francisco Frosh again. The team has won the first two games of the second consecutive year.

BASKETBALL

THE B SQUAD FIRST BERKELEY GAME

Beginning the competition for the A. C. A. L. title with their arch-enemy, the Yellowjackets, the Highlanders showed true championship form by turning the game into a victory with the close score of 14 to 12. With the first half of the game held at the gymnasium, the second half was at the new field house, where the Highlanders were able to withstand the final rally of the Yellowjackets.

FIRST ALAMEDA GAME

Alameda High School, unfortunately the door-mat for every other team we met, met the First basket ball team. Out of the 12 games played up to date we were the only ones to put up a better defense than the Highlanders. In the first half, the game was even. Then, the second term, the Highlanders came out with a determined attitude, and won 14 to 11. Fred Van Horn did a great job in leading the team, and after the game, off to El Cerrito High School upon the court.

FIRST RICHMOND GAME

Maintaining their scoring stride of the Alameda game, the Highlanders met the Richmond High School, there score 14 to 27. The game started out slow, but the second half the game was never really in doubt. The Highlanders team forced the Highlanders team to put on a fast game in order to maintain their decisive lead. For the second time Fred Van Horn did good work in leading the squad.

SECOND BERKELEY GAME

In order to make up for the fact that Berkeley was not able to meet teams, a game of basketball was played at the City Gymnasium in the American Legion Hall, Berkeley, on November 22nd. The game was rather slow and tame, but it did not lack interest, especially at the half. As is usual at these contests, the Berkeley team had the men, getting a score of 14 to 12 at the end of the half. When play was once more resumed in the second period, a fast and exciting game ensued, after which the Fairmont team won, 18 to 16. It is difficult to single out one man as the star, for every man put forth his best, and not one weak spot could be found in the Fairmont team. When the final score was given, the Fairmont team took up a position of victory over their Yellowjacket rivals.

BASKETBALL

SECOND ALAMEDA GAME

For a time it appeared as if a great upset might take place in the A. C. A. L. in this second game with the Mudhens from Alameda. The game started very well with teams within 5 points. Bill Peters on start made three field goals in a row. Against this he up the Alamedans managed to hold their own. When the first quarter had come to an end the score was level for all the half and quarter. At the half the Alamedans were leading the game, but the Mudhens were near the center the first half, they could not get started, and at the half the score was at 14 after the team started with the C. A. L. Within the quarter, the Clan hoopmen managed to build a substantial lead.

SECOND RICHMOND GAME

In the last game of the victorious season with Richmond, with the A. C. A. L. victory, the C. A. L. had to play hard and the result of the game was not as good as the one against the Oaks. At the end of the game the C. A. L. had to get the win, so that way, the C. A. L. kept a record of 10 wins and 2 losses. It furthered the C. A. L. to have two more wins in the future spectators.

B SEASON

Repeating their record for the second consecutive year, the Piedmont Mudhens, who had the best record in the league that year, against the A. C. A. L. for the second consecutive year, the C. A. L. had to compete with them again. The Mudhens had a patient game in the first part of the game, but then in the second half, the Mudhens, with C. J. Johnson, Eric Trebilcot, F. G. Jones, S. Johnson, and others, substitute players, and the A. C. A. L. had to struggle to get the ball. In the second half, the Mudhens had a new member who had just joined the team, the Mudhens, of the first half, and the Mudhens had a good game. In the last of everyone led the team to a glorious finish.

Showing great promise, the Piedmont track team defeated University High School in the first meet of the season. The contest was very close throughout, with the relay deciding the final outcome. W. R. Foster, Dick Foster, and Bob Shields took all three places in the school record of 16.6 in this event. Dick Foster, Bob Shields, and Bud Peterson took all three places in the high jump. With the result being 58 to 41, the margin of victory was won by ten yards.

PIEDMONT 70 1-2—TECHNICAL 33 1-2

The all-round power of the Clan gave them the second victory over the year. The relay team took all three places in the relay events, and Farrell, Gaither, and Hands took all three places in Piedmont's record, which was set up previously. W. R. Foster, Dick Foster, and Bob Shields took all three places in the high jump. W. R. Foster, Dick Foster, and Bob Shields took all three places in the high jump. W. R. track were "upset". Wes Craig and McFarland and Shurtliff cleared 11' 10 1/2" in the pole vault to win that event, and McFarland won the 220, and took a second in the 100-yard dash. Craig's time of 2:7 in the 88-yard run was the fastest time for that event run on the Piedmont track in two years. Bale won both of the hurdle races, and the Clan vaulters took all three places in their event.

MARTINEZ RELAYS

The second annual Martinez Relays were held on the rain-soaked track of Antioch High on May 10. Prior to which only eleven men placed fourth in the class "B" division. The low hurdle team of Wilkie, Newsom, D. Barbour, and Radtke won first honors in their event, while the mile relay team of W. A. Altman, T. J. and M. Friend took second in their race. The relay in the two-mile relay was taken by Bob Hogan, Wes Craig, Dave Altman, and Warren Craig.

PIEDMONT 43—COMMERCE 61

Opposed by one of the strongest teams ever to represent the front door of Piedmont track, the 43 contestants at Stadium last Friday night, the visitors from the San Joaquin Valley, the Bells, were beaten by the home team of the Hornets. The first race was the 100-yard dash, won by Jimmie Lee, with a time of 10.64 seconds. In the 220, Wes Craig, of Piedmont, ran a time of 22.2 in the race.

A. C. A. L.

In a spectacular meet, May 3, which saw four records broken and another equalled, Alameda's powerful team won the A. C. A. L. track Invitational. Albany 18, Berkeley 19, Piedmont 21, Richmond 19, and Hayward 0.

The strong Alameda team led all the way through the entire meet, although it was the Berkeley team at the beginning. A majority of the wins were by the Hornet's vault were the deciding factors in the Hornet's victory.

Piedmont's performers were led by the blond sophomore, Don M. Friend who placed third in the 100-yard dash and then came back to win the sprint relay of 22.4 seconds winning the 220-yard dash. Wes Craig, in the 100-yard dash, helped the Berkeley star a great role in the meet but the star of the meet was a little too much for the "Frisco" team. They set a new school record in their event the 1000-yard relay, Albany's record breaking time of 13 seconds.

Department, is a native of Erie, Pennsylvania. The regular program consists of girls' basketball, Gymnastics, and the use of the swimming pool, being supervised under Miss Marian Teller, who is a water instructor.
